THIS LANDMARK COLLECTION  
brings together the best Australian short  
stories written in the twentieth century.

From early bush life to contemporary urban  
existence, *The Penguin Century of Australian Stories*  
celebrates our finest writers in all their modes:  
the lively comic fiction of Henry Lawson and Steele  
Rudd, the distinctive imaginations of Christina  
Stead and Patrick White, the experimental style  
of Peter Carey, and the highly lyrical prose of  
Brenda Walker and James Bradley.

Selected by Carmel Bird, these stories mirror  
the concerns of Australia's past and present.  
*The Penguin Century of Australian Stories* will  
enlighten and entertain for many  
years to come.

A PENGUIN  
Fiction.
